Rebate Received

I, _____ (*consumer name*), acknowledge that I received a rebate from the Electrify Nova Scotia Rebate Program in the amount of \$ _____. This rebate was deducted from the final purchase price after the application of taxes and fees for my e-bike which was purchased on _____ (*mm/dd/yyyy*) at _____ (*retailer*).

The following attestations must be **initialed** by the rebate recipient:

____ I attest that I have not already applied for or received the same class of rebate (i.e., e-bike, new electric vehicle or used electric vehicle) under the Program during this calendar year.

____ I attest that I intend to primarily use and keep the e-bike in Nova Scotia

____ I represent that I will not seek to receive more than one of the same class of rebate under the Program in any calendar year (i.e., e-bike, new electric vehicle or used electric vehicle). I understand that should I be found to have received more than one class of rebate from the Program in a calendar year, the retailer(s) who provided me the rebate(s) or the Program Administrators may seek to recover the amount of the rebate provided to me.

Consumer Consent

I, _____ (*consumer name*), hereby authorize _____ (*retailer*) to collect my personal information provided to the dealership and to provide that information to Clean Foundation, in its capacity as the Program Administrator of the Electrify Nova Scotia Rebate Program (the "Program"), and to the His Majesty the King in Right of Nova Scotia, in its capacity as the funder of the Program, and as represented by the Minister of Natural Resources and Renewables.

I further consent and authorize the Program Administrator to:

1. collect my personal information provided to the dealership;
2. store the personal information as set out below;
3. use the personal information provided to the participating dealership for the purposes of receiving the provincial Electrify rebate under the Program, as described and for the purposes outlined below; and
4. disclose the personal information to the Minister of Natural Resources and Renewables for the purposes outlined out below.

This information is being collected by the Program Administrator and will be shared with the Minister of Natural Resources and Renewables and/or their delegated employees for the purpose for the purpose of:

1. administering the Program, which includes but is not limited to determining the eligibility for a rebate under the Program and evaluating the Program including informing future program policy related to electric vehicles; and
2. validating eligible e-bike purchases, which involves reviewing the serial number and the date of birth and postal code of the purchaser.

The personal information collected will be shared only with those employees of the Program Administrator and the Department of Natural Resources and Renewables as is reasonably required for the administration and evaluation of the Program. Under the provisions of the *Freedom of Information and Protection of Privacy Act*, individuals have the right of access to, correction of and protection of their personal information. To access your personal information, contact the Program Administrator at electrify@cleanfoundation.ca, or 1-877-522-1110.

Release

I hereby release Clean Nova Scotia Foundation and His Majesty the King in right of Nova Scotia, their agents, officers, employees, contractors, successors, and assigns from any claims, liability, damages, action or causes of action arising from or relating to the information and its use.

I give permission to the Program Administrator to contact me by phone, email or other electronic means with respect to my experience with the Electrify Nova Scotia Rebate Program and to inform future programs and polices related to electric vehicles. I acknowledge that I can withdraw my consent at any time by calling 1-877-522-1110 or by sending an email to: electrify@cleanfoundation.ca

I am signing this form of my own free will and have a full understanding and comprehension of its terms.
